

R E S O L U T I O N

WHEREAS, it is not within the required and normal duties of this District to provide and administer a fire protection system of fire hydrants, locations, etc, and

WHEREAS, Douglas County Fire Protection District No. 2 entirely encompasses the area served by the East Wenatchee Water District and is capable of administrating the normal administrative functions for fire protection including processing the application and payment for the location of necessary and required fire hydrants,

NOW, THEREFORE, It is Hereby Resolved that hereafter no fire hydrant installations shall be made by the East Wenatchee Water District for any individual, group or body politic without having first received the application therefore from the Douglas County Fire Protection District according to uniform standards and specifications as may be determined and adopted by that body and the East Wenatchee Water District and for which the Fire Protection District shall in all ways be responsible for collecting and administering all costs attendant thereto.

IN WITNESS WHEREOF, we affix our signatures hereto this 23rd day of January, 1958, in verification of the foregoing duly authorized resolution.
