

RESOLUTION NO. 83A

RESOLUTION ADOPTING AND APPROVING THE
COMPREHENSIVE PLAN OF ADDITIONS AND BETTERMENTS

WHEREAS, the Board of Commissioners of the East Wenatchee Water District has seen fit to have a comprehensive plan for improvements, additions and betterments to the existing facilities of the East Wenatchee Water District, and

WHEREAS, pursuant to this intention, the engineering firm of Gray and Osborne have submitted a comprehensive master plan identifying and specifying the existing water lines, pumps, reservoirs and facilities of the District, together with a program for the improvements, betterments and future growth reasonably anticipated within said District, and

WHEREAS, said comprehensive plan was submitted to the Board of Commissioners of the East Wenatchee Water District on August 24, 1961 and approved at the regular meeting thereof, and further reviewed and discussed in detail and approved at the meeting of September 16, 1961, and such plan appearing to be consistent with the aims, objectives and requirements of the District,

NOW THEREFORE, IT IS HEREBY RESOLVED that that certain comprehensive plan submitted to the Board of Commissioners of the East Wenatchee Water District by the engineering firm of Gray and Osborne, identified as P Wash 3074, H602-912 bc, and the same is hereby adopted as the comprehensive master plan for the East Wenatchee Water District.

DATED this 16th day of September, 1961.

President

Vice-President
