

RESOLUTION NO. 306

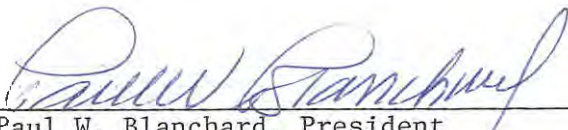

A POLICY OF HANDLING CHANGES FOR MONTHLY SERVICES RENDERED

WHEREAS, the East Wenatchee Water District receives monthly statements from various creditors for services rendered and,

WHEREAS, said statements are received beyond the cut-off date for proper vouchering by the Board of Commissioners, and

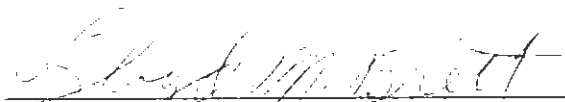

WHEREAS, it is believed to be in the best interest of the District that these statements such as building maintenance, garbage disposal and machine service contracts be vouchered under signature only to avoid paying a late charge and the statements be filed with the Water District voucher copies so this will enable the Douglas County Auditor to issue warrants for those services without an invoice.

ADOPTED, this 20th day of April, 1981 by the BOARD OF COMMISSIONERS of the EAST WENATCHEE WATER DISTRICT, Douglas County, Washington at a regular meeting thereof.
