

RESOLUTION NO. 112-A

AMENDING COMPREHENSIVE PLAN AND UPDATING SAME

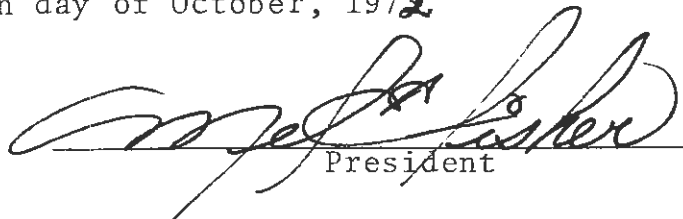

WHEREAS, the Board of Commissioners of the East Wenatchee Water District has previously adopted a comprehensive plan for the improvements, additions and betterments to the existing facilities for East Wenatchee Water District, and has, from time to time, made amendments and additions thereto, and

WHEREAS, Resolution No. 83A updated the existing comprehensive plan by the adoption of the Engineering Report No. P Wash 3074,H602-912 of the firm of Gray & Osborne, Yakima, Washington, which Resolution was dated September 16, 1961, and

WHEREAS, subsequeunt to such amendment to comprehensive plan, the firm of Gray & Osborn submitted additional plans for improvements, additions and betterments under date of February, 1966, denominated Gray & Osborne Engineering Report No. 65-011, which report was intended to be included in the comprehensive plan and was approved by the Board of Commissioners as an amendment for additions and betterments;

NOW, THEREFORE, IT IS HEREBY UNANIMOUSLY RESOLVED that that certain report dated February, 1966, as No.65-011, of Gray & Osborne Engineering, Yakima, Washington, be and the same is hereby specifically adopted as an addition and betterment to the original and amended comprehensive plan of additions and betterments of East Wenatchee Water District, and is hereby included as part of the master plan for the East Wenatchee Water District system.

DATED this 24th day of October, 1972

President

Attest:

Secretary

REIMBURSEMENT AGREEMENT

THIS AGREEMENT made and entered into this 26th day of December, 1972, by and between EAST WENATCHEE WATER DISTRICT, hereinafter referred to as First Party and EASTMONT ENTERPRISES, hereinafter referred to as Second Party, WITNESSETH:

WHEREAS, the Second Party has petitioned First Party for a U.L.I.D. to provide for the installation of a water system from the corner of 15th Street and Eastmont Avenue south to 5th Street and thence West to the Eastmont Shopping Center area, as indicated by Exhibit A where a loop will be made; and

WHEREAS, the installation of said water system will constitute a potential betterment and improvement to surrounding property owners; and

WHEREAS, it is the intention of the parties to provide for a partial reimbursement to the shopping center owners on a proportionate formula basis, if and when additional fire protection users utilize the improvements to be installed under U.L.I.D. No. 1 as provided herein.

NOW, THEREFORE, in consideration of the mutual covenants and advantages to the parties it is hereby agreed as follows:

1. At such times as other connections are considered, they shall not exceed the available capacity of the line installed under U.L.I.D. No. 1 for fire flow purposes, which capacity shall be determined by First Party herein.

2. The new line shall consist of a 12 inch line along Eastmont Avenue and a 14 inch line along 5th Street.

3. Reimbursement by First Party to Second Party shall not exceed the cost of the Second Party's assessment for the new line.

4. The method of reimbursement shall be as follows:

a. Divide the cost of the new line by the length thereof thereby obtaining the cost per foot;
