

RESOLUTION NO. 168

RESOLUTION ESTABLISHING BULK WATER RATES

WHEREAS, the District has been providing bulk water from fire hydrants to contractors and farmers from time to time with a minimum charge of \$1.00 per day.

WHEREAS, these charges have not been adequate to pay for the actual water and services rendered, and a new rate should be instituted to properly compensate the District for actual usage.

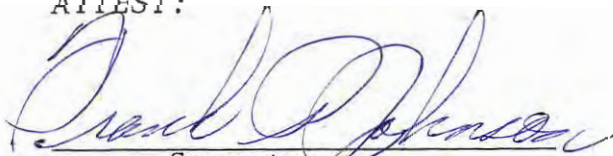

BE IT HEREBY RESOLVED that each bulk water user shall be required to register with the District Office and pay a lump sum fee of \$25.00 for a water turn on and shut off key. And in addition thereto shall be charged the sum of \$2.00 per day for each and every day said customer keeps the water shut off key for bulk water hauling.

ADOPTED this 7th day of March, 1977, by the Board of Commissioners of the East Wenatchee Water District, Douglas County, Washington, at a regular meeting thereof.
