

RESOLUTION NO. 322

AUTHORIZING PURCHASE OF AN AIR DRIVE VALVE OPERATOR

WHEREAS, the East Wenatchee Water District does not have at the present time a valve maintenance program and,

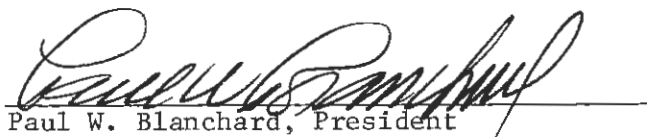

WHEREAS, much discussion and planning have been given this important aspect of the District so valves would be in proper working order and properly identified as to their location in an emergency situation and,

WHEREAS, the District having experienced a situation approximately two years previous that proved costly because a program of this nature was not implemented at that time and,

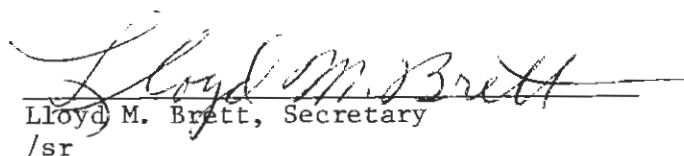

WHEREAS, the Commissioners believe it is in the best interest of the District to assure the rate payors that they will be given excellent service with a minimum of inconvenience and,

WHEREAS, the District having obtained quotes to purchase a device for opening and closing valves that range from a high of \$10,000 to a low of \$3,000 hereby authorizes the manager to proceed with the purchase of said Air Drive Valve Opener for the low quote submitted by Western Utilities Supply Company, Seattle, WA dated February 22, 1983.

ADOPTED, this 4th day of April 1983, by the Board of Commissioners of the East Wenatchee Water District, Douglas County, Washington at a regular meeting thereof.

Paul W. Blanchard, President

ATTEST:

Lloyd M. Brett, Secretary
