

AUTHORIZING AN INCREASE IN THE DISTRICT'S MONTHLY BASE RATE AND EXCESS RATE

WHEREAS, the Board of Commissioners has spent considerable time in reviewing and evaluating certain additions and betterments being proposed in District's updated six year proforma and Comprehensive Plan, as well as the projected cash reserves anticipated at the end of the 2007 fiscal year, and

WHEREAS, the need to initiate a rate increase as described herein is supported in the financial and capital improvement plans established in the District's six year Comprehensive plan (as adopted), and

WHEREAS, the present base and excess rates for water service to various customers of the East Wenatchee Water District has been reviewed by the Board of Commissioners, and the District's engineer recommended that the District raise its base and excess rates for water service on an annual basis to keep up with inflation and anticipated project costs, and

WHEREAS, it appears that the existing rates are inadequate to address future improvements as called for in the District's Comprehensive Plan, and other monthly expenditures as required in the day to day operation of the District, and

WHEREAS, the amendments to the Federal Safe Drinking Water Act has created an additional expense to the District in order to meet the necessary requirements as directed by both the Washington State Department of Health and the Federal Environmental Protection Agency, and

WHEREAS, after much consideration and reviewing the future needs of the District, the Board of Water Commissioners deem it to be in the best interest of the Water District to increase the base and excess rates thereby allowing the District to pursue the Betterments and Improvements that is identified in the Comprehensive Plan, as well as raise it's reserves to keep them at a level so the District would be in a position to meet a financial emergency and maintain financial integrity for the benefit of it's customers, all according to the rates set forth on the following table, and

Meter Size	Current Rate Bi-Monthly Charge	Proposed Rate Bi-Monthly Charge	Change
